### **Fall Fundraiser and Fun Run Celebration**

Dear Baucom Community Members,

The Baucom Elementary Parent Teacher Association (PTA) focuses on one goal – to enhance the educational experiences of each student.

While working within WCPSS guidelines, we sponsor programs and activities throughout the school year including:

- Teacher Grants to support teachers throughout the year
- Appreciation activities such as Teacher Luncheons and Teacher Support Services
- Cultural Arts Assemblies
- Visiting Author Program
- Baucom Field Day
- Book Fair and Science Fair
- Community Events (Family Fun Nights/Backyard Picnics, Walk to School events, etc.)

We are kicking off our 2024-2025 Fall Fundraiser in order to help support students and administrative staff make the best experience for our students.

***Do you know if your employer will match your donations?***
