Administrative Report: Mr. Culp

- **Learning Walks-** All teachers are getting to do this and 5th is even going to AFMS.
- **ALL Block-** Working with Academics to revamp our small group ELA in 3rd-5th. Professional Development will be given on ½ Workday.
- **Family Survey:** Please complete our [Communication & Sense of Belonging Survey](#). This will be used to make future plans for our school. I am guilty of deleting those doctor's office surveys and it's just one more thing, but we would REALLY appreciate your feedback on this SHORT survey.

Our Equity Team's goal is to have 100% of families report that they feel a sense of belonging at Baucom when the annual Panorama Family Survey is given in the spring. Several of the questions in this form we are asking you to complete today were written to help us find out what we need to do to meet that goal of 100%.
