- Our main revenue from March was the book fair, marathon registrations and 5th grade activities.
- Our big expenditure was the book fair. We collected all the revenue for selling the books. We got a percentage of the profits for Mrs. O'Mara (around 3k) to spend on books. Then we paid Bedford Falls for the remainder of the cost of the books. Mrs. O'Mara bought some books at the fair with the money, and will use the rest of the profit to purchase books through other vendors. We also bought marathon medals.
- We are still in the positive. We do have expenses coming up in April (grade level field trips, teacher lunch, fall spirit wear order, family night). We should have money at the end of the year to get a class set of Ipads for Ms. O'Mara and 2 for Pre-K.

Administrative Report: Mrs. Huffman

- Field trips are happening!
- Moving into the season of EOG prep for grades 3-5. Parents, please keep an awareness of your child's anxiety level regarding the EOGs. Keep the lines of conversation about it open.
- Each grade level has had ½ day of LETRS training (a science of reading program). Teachers are learning different ways to teach reading, so parents may notice different teaching practices.
- The Family Night was amazing.
