Administrative Report: Mrs. Huffman

- Baucom is projected to swing to Woods Creek Elementary in early 2023. Woods Creek does not have an official address yet. Movers will be employed to help with teacher's materials. Existing furniture will be moved to a county warehouse. New furniture will be at Woods Creek and Baucom 2.0. The move will likely happen over a break or a weekend, so transportation changes will be made swiftly. It will be like a first day of school again. Staff is currently working on purging items that are no longer needed or cannot be reused.

Indicates not a current PTA member or unidentifiable via Zoom name.
