Treasurer Report: Alison Edmonds

We will end the year with about \$20K which puts us in good place for next year.

Administration Report: Dr. Brian Saunders

*Mr. Stewart had his visa extended so he will remain on at Baucom next year but move to 3rd grade since his 1st grade position has already been filled.

*There are 20 K-5 Baucom students signed up for VA next year. Every school will have to figure out the logistics and administration of VA, but it will most likely involve working with nearby partner schools.

*K-3 class size legislation will need to be fully implemented next year. The grade level average is as follows (with 21 being the max per class): K-18, 1st- 16, 2nd- 17, 3rd- 17.

*The summer program is 6 weeks long. The openings will first be filled by invitation and then by parent request to fill any remaining spots. To request your child attend the summer program email Carolyn Ewing cewing@wcpss.net.

*Plans for the Baucom Rebuild are moving forward. The Planning Committee is putting together questions to survey the Baucom community for feedback on the rebuild. The Baucom School Leadership Team and the PTA Board will meet with the Architectural firm on 5/27 at 5 pm and 6/4 at 5 pm in the media center.

President Report: Christina Owen

*Mr. Stewart and Ryan Doherty are working on plans for an outdoor classroom. The PTA is budgeting about \$800 towards supporting this project. Mr. Chapman expressed interest in being a part of this project as this is something he worked to accomplish previously but did not get admin approval for under a different principal.
