Motion to Approve the Minutes by Mark Fussell and seconded by Brittany O'Brochta

Administrative Report: Ms. Huffman

- End of year wrap up happening now - final push for academics and end of year activities
- Prepping for next year - still waiting on numbers for next year which always adjust throughout the summer
- Hoping to keep focus time on the schedule next year, since we are getting really good data on the outcomes but there may be some tweaks to the schedule to allow for more staff/student interaction

Treasurer's Report: Mark Fussell

- Budget - starting year with \$26k in the bank and we are on schedule now to rollover \$28k so we have basically spent what we fundraised this year.
 - Responsible spending this year so we have enough to start in the fall with activities and not wait for the fall fundraiser

Committee Reports

- Visiting Author: Jaime Dixon - Thank you Ms. O'Mara for another successful visiting author. The kids really enjoyed Chris Barton and he did a really great job in making the presentation fun for kids of all ages. The winners of the competition were excited to have lunch with him also.
- Field Day: Erin presenting on behalf of Stacey Moyer - Field day is this Friday, we need volunteers to help with each grade. But the weather is looking good!
- Feed the Kids: Megan Alexander - 6th time doing this so Feed the Kids really counts on us each year. We donated 4,000 items this year. Thank you for all the donations and teachers for unlocking and locking the van each day.
