Administrative Report: Ms. Huffman

- Fun Run was a huge success - wonderful experience and we got to keep all of the money since we did it ourselves! We surpassed our goal!
- There was a fire at the school last weekend in one of the portable classrooms. It started in the HVAC unit and moved slowly so there was very little damage. We used it for document storage so we will need to replace some of the materials.
- We should have an update on the move this month. The teachers will start to purge materials over the next couple of weeks.

Treasurer's Report: Mark Fussell

- Reviewed some of the budget changes including the items that were accidentally not budgeted for like website fees and tax information and then some new costs such as anti-bullying materials.
- Vote on proposed updated  Budgetv2.0 - All Approved

Committee Reports

- Number Drummer Recap: Christina Owen
 - Presenter made math fun with various musical instruments. The kids really enjoyed it and he was very inclusive of all kids and grades.
- Teacher Innovation Awards: Heather Johnson
 - Decisions have been made about the winners of the teacher

innovations awards. The applications ranged from gardens to tools for coding knowledge so it was really exciting to see the unique ideas.

- Room Parents: Soo Kim - No Report provided

President's Report

- Fun Run Recap: \$43,717.75 with over **955** Total Donations
 - Melissa Beahm was the chair of the Fun Run committee this year. All of the volunteers did such a wonderful job and made it so we could put this on ourselves without needing a third party to organize. Special thanks to Ms. Huffman for being an ice cream sundae!
- Thank you to Gina for coordinating the Principal Appreciation Awards this year. You did a wonderful job!
- Veteran's Day - Volunteers needed
